

PHILIPPINE FISHERIES DEVELOPMENT AUTHORITY

**HIGHLIGHTS OF ACCOMPLISHMENT REPORT
CY 2020**

Hereunder are the highlights of our Agency's accomplishments for the period January to December 31, 2020:

A. ON THE OPERATION OF THE FISH PORTS AND OTHER FISHERY POST-HARVEST FACILITIES

Pursuant to its mandate, PFDA sustained the operation of the nine (9) Regional Fish Ports (RFPs) namely, the Navotas, Iloilo, Zamboanga, Camaligan, Lucena, Sual, Davao, General Santos, and Bulan Fish Ports. The fish port located in Tacloban, Leyte is under joint management by PFDA and LGU.

As of December 31, 2020, the total volume of fish unloaded at the regional fish port complexes maintained by PFDA reached a total of 558,288 metric tons (mt). General Santos and Navotas Fish Port Complexes were the two (2) biggest contributors to fish unloadings. Of the total, 51% was handled by General Santos Fish Port Complex (GSFPC), 34% by Navotas Fish Port Complex (NFPC), while the remaining 15% was contributed by the other seven (7) regional fish ports. The total number of fishing and non-fishing vessel arrivals reached 86,644.

Insofar as processing activity is concerned, 2,925 mt of fishery products were processed in the refrigeration facilities of General Santos, Zamboanga, and Camaligan Fish Ports. Moreover, the total volume of ice produced at Zamboanga, Davao, General Santos, and Camaligan Fish Ports was recorded at 30,611 mt.

As of date, PFDA constructed one hundred thirty-six (136) fish ports nationwide. Of this total, one hundred twenty-five (125) fish ports have been turned-over to Local Government Units (LGUs) and nine (9) fish ports are for turn-over, the Bulan FP is under PFDA management and Tacloban FP is jointly managed by PFDA and LGU.

C. On Covid Measures and Undertakings (please refer to the attached report)

**REPORT OF PHILIPPINE FISHERIES DEVELOPMENT AUTHORITY
As of December 31, 2020**

A. DAILY FISH UNLOADING – REGIONAL FISH PORTS (RFPs)

I. Brief Description

The Philippine Fisheries Development Authority's (PFDA) Regional Fish Ports (RFP) Program involves the provision and operation of fish port complexes in strategic fish landing centers nationwide. These fish ports are equipped with facilities such as breakwater, landing quay, market halls, refrigeration and processing facilities, slipway, and related facilities.

In particular, the program addresses the needs of the commercial fishing boat operators, municipal fishermen, and fish processors/exporters, among others.

To date, the PFDA has a total of nine (9) fish RFPs all over the Philippines (Navotas City, Metro Manila; Sual, Pangasinan; Lucena City, Quezon Province; Bulan, Sorsogon; Camaligan, Camarines Sur; Iloilo City, Iloilo Province; Davao City, Davao del Sur; Zamboanga City, Zamboanga del Sur; and General Santos City, South Cotabato) under this program.

The intended beneficiaries are the fisherfolks, fish brokers/consignacion, fishing boat/vessel operators, and fish buyers/traders/viajeros.

RFPs offer the following facilities and services:

- Landing facilities - pier, fish unloading;
- Market facilities - fish trading;
- Processing facilities - fish processing;
- Refrigeration facilities - cold storage, freezers and ice plants; and
- Auxiliary Facilities - Fuel depots, Ship Repair yards, Fishing Supplies Shops, Fishing Net Repair Areas, and food stalls

As of December 31, 2020, the PFDA ports had unloaded a total of 450,010.61 MT of fish since March 23, 2020.

B. isDA ON THE GO

I. Brief Description

isDA ON THE GO is the banner Corporate Social Responsibility (CSR) Project of the Philippine Fisheries Development Authority (PFDA). The CSR Project is implemented by PFDA in partnership with the Navotas Fish Port Complex (NFPC)-based private sector fishing companies like Fishing Mongers, Inc., LYRS PHILDVO Maritime Products and Frabelle Fishing Corp.

isDA ON THE GO operation comes in three (3) modalities, to wit:

- Retailing Market – 22 branches of Waltermart outlets located in North EDSA, Taguig, Makati, Pasay, Paranaque, Antipolo, Tagaytay, Bulacan, Tarlac, Pampanga, Nueva Ecija, Laguna and Batangas,
- KADIWA Partnership – tie-up with KADIWA on Wheels of the DA (ATI & PCA Offices as well as several local communities in Quezon and Navotas Cities), and

- Private Retailers / Direct Sales - to reach out to more beneficiaries, the PFDA is pursuing further expansion of the Project by utilizing other modalities

C. OTHER DA COVID-19 FOOD RESILIENCY TASK FORCE ACTIVITIES CONDUCTED

Quarantine Activities

PFDA Central Office and all RFPs strictly maintain and enforce prevention protocols against the spread of the Severe Acute Respiratory Syndrome coronavirus 2 (SARS-CoV-2), responsible for the coronavirus disease (COVID-19), as follows:

1. compliance with ID and passes;
2. thermal scanning;
3. provision of alcohol, sanitizer, and face mask for frontline employees;
4. observance of physical distancing;
5. footbath and hand washing stations for all incoming clients at various strategic locations; and
6. installation of misting and sanitation tents in RFPs.
